

## INTRODUCTION TO EYELASH EXTENSIONS

Eyelash extensions are a popular cosmetic trend for everyday women to dramatically enhance their natural look.

It's a simple application. The lash technician carefully applies the synthetic eyelash to every individual natural lash. The results are a natural looking lash line with longer, fuller, and darker lashes.

Eyelash extensions will not touch the skin or damage your real lashes.

### Why Eyelash Extensions?

Enhance the look of your eyes with weightless lashes  
Feel beautiful and confident  
Save time and money on your daily makeup routine.  
Say goodbye to mascara or messy eyelash strips

## FACIALS

### Express Facial \$45

Perfect for those with limited time. This facial includes deep cleansing, toning, and hydration. The treatment delivers maximum results in minimal time. (~30-35 min)

### Signature Spa Facial \$70

This purely relaxing facial includes deep pore cleansing, exfoliation, facial massage, and a final mask to help restore the skin's natural moisture level. (~55-60 min)

### Anti-Aging \$80

Turn back the hands of time. This facial includes cleansing, fine line exfoliation, and a deep hydration treatment. (~65-70 min)

### Acne Treatment \$90

A highly therapeutic facial designed to manage impurities, blemishes, and breakouts. Increase your outer peace and beauty with our medicated approach to treating acne. (~75-80 min)

### Là Me Facial \$100

This facial treatment is customized for your 14 zones. The treatment will include double cleansing, exfoliation, and galvanic/ultrasound/ high frequency electro current extractions. (~85-90 min)

### Microdermabrasion Facial \$130

Microdermabrasion is a non-invasive procedure that uses tiny crystals to help remove the superficial layer of dead skin cells. The procedure stimulates blood flow, which increases the nutrition delivered to skin cells. This helps reduce the appearances of all fine lines, blemishes, dull skin, acne scars and sun spots. This is a painless, low-risk skin treatment but will bring big results that can be added to beauty routine. (~95-100 min)

### Facial Add-Ons:

#### \*Special Lip Treatment \$15

Erase dryness and treat your lips to a naturally effective treatment that exfoliates, plumps and protects with fresh citrus and nourishing shea butter.

#### \*Special Eye Treatment \$20

This eye masque treats dark circles and relieves under eye puffiness.

#### \*Vitamin C Booster \$25

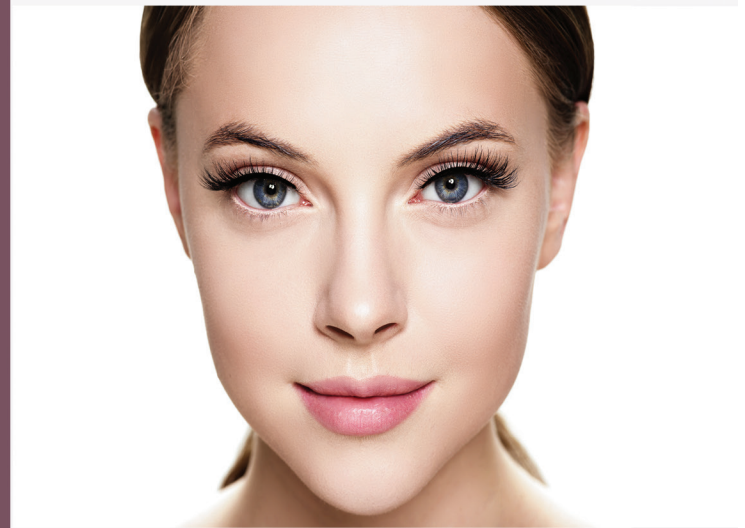

Potent antioxidant that protects the skin and improves elasticity.

#### \*Extractions \$15

Clears clogged or compacted pores.
